

**BIRLA INSTITUTE OF TECHNOLOGY & SCIENCE, PILANI**  
**Pilani Campus, Rajasthan - 333 031**  
**DEPARTMENT OF CHEMICAL ENGINEERING**

**Seminar Notice**

Date: 17/03/2025 (Monday)  
Time: 12.15 PM-12.50 PM

Venue: 1234  
FD-I

Speaker 1:

Prof. Banasri Roy

Department of Chemical Engineering,  
Birla Institute of Technology and Science, Pilani, Pilani campus, Rajasthan

Speaker 2:

Prof. Somak Chatterjee

Department of Chemical Engineering,  
Birla Institute of Technology and Science, Pilani, Pilani campus, Rajasthan

**Title: Sharing Experiences of Attending ICSEE-2025**

**Abstract:**

Prof. Banasri Roy and Prof. Somak Chatterjee both have attended the International Conference on Sustainable Energy and Environment (ICSEE-2025) held at the BITS Pilani Goa campus, 8-10 March, 2025.

Prof. Roy served as co-convener and delivered a talk on the occasion of women's day. Her delivered talk includes to discuss and exchange engineering and scientific works, ideas, innovation and contribution at the women's day we must celebrate the vital contributions of women in STEM -Science, Technology, Engineering, and Mathematics – fields. Acknowledge the critical need to bridge the gender gap that still exists in these crucial areas of innovation and progress, and think what could be done. Our young generation need to know the pioneering women before independent to recent era Those who treaded the unconventional path. We should recognize and commemorate the Milestones of Women journey in Indian perspectives of STEM. We salute The Trailblazers women of Indian Science and engineering. It is a day not only to celebrate women and womanhood, but also to acknowledge how far women have come over the years in terms of gender equality, women's rights, and more. The International Women's Day also aims to support women across the world to achieve more in life. The theme for International Women's Day 2025 is 'For ALL Women and Girls: Rights. Equality. Empowerment'.

Prof. Roy and Prof. Chatterjee will be sharing their experiences in the upcoming departmental seminar on 17<sup>th</sup> March 2025.

All interested persons are cordially invited to attend.

Prof. Banasri Roy,  
HoD, Chemical Engineering

Prof. Sarbani Ghosh,  
Seminar Coordinator
