

BIRLA INSTITUTE of TECHNOLOGY & SCIENCE, PILANI
Pilani Campus, Rajasthan - 333 031
DEPARTMENT OF CHEMICAL ENGINEERING
Seminar Notice

Date: 24/11/2025 (Monday)

Venue: 1233

Time: 3.00-3.30 PM

FD-I

Speaker:

Prof. Pradipta Chattopadhyay

Associate Professor,

Department of Chemical Engineering,

Birla Institute of Technology and Science, Pilani, Pilani campus, Rajasthan

Title: Sharing Experiences of Attending a Conference

Abstract:

Prof. Pradipta Chattopadhyay attended a Conference on Colloids and Surfactants in Industrial Applications: Fundamental Principles and Advances held at the IIT Bombay, 14-15 November 2025.

The Conference on Colloids and Surfactants in Industrial Applications: Fundamental Principles and Advances brought together researchers and industry professionals to discuss recent developments in surfactant science and technology. The event explored emerging classes of surfactants, including polymeric and biosurfactants, as well as their growing role in industrial sectors such as agriculture, coatings, and cleaning products. With a focus on formulation science, the conference highlighted advances in understanding colloid-surfactant interactions and their impact on improved delivery systems, product performance, and sustainable industrial practices.

Prof. Chattopadhyay will share his experiences in the upcoming departmental seminar on 24th Nov 2025.

All interested persons are cordially invited to attend.

Prof. Banasri Roy,

HoD, Chemical Engineering

Prof. Smita Raghuvanshi,

Prof. Sarbani Ghosh,

Seminar Coordinators
